

Ratchet P-CLAMP

The Ratchet P-Clamp family offers versatility when managing wires, cables and hoses. The robust design and durable materials make it ideal for heavy duty applications, both indoors and out. The one-piece adjustable clamp can be closed by hand to the desired diameter. The release feature provides easy and nondestructive removal of cables simply by using a flat-head screwdriver. This nondestructive release allows the clamp to be reused without removing or replacing any bolts or screws.

Features & Benefits

One-piece ratchet closure allows for easy installation during pre- or final assembly.

Zinc-plated steel mounting plate tolerates high torque and is treated to resist chemicals and salt spray.

Easy release feature simplifies quick adjustments and maintenance.

Straight, 180° mounting plate is ideal for applications requiring a flush mount set off from the mounting hole.

Impact modified, heat and UV stabilized PA66 provides long-term durability, indoors and out.
